I remember all my life, raining down as cold as ice
Shadows of a man, a face through a window
Crying in the night, the night goes into

Morning, just another day, happy people pass my way
Looking in their eyes, I see a memory
I never realized how happy you made me

Oh Mandy, well you came and you gave without taking
But I sent you away, oh Mandy
Well, you kissed me and stopped me from shaking
And I need you today, oh Mandy

I'm standing on the edge of time
I've walked away when love was mine
Caught up in a world of uphill climbing
The tears are in my mind, and nothing is rhyming

Oh Mandy, well you came and you gave without taking
But I sent you away, oh Mandy
Well, you kissed me and stopped me from shaking
And I need you today, oh Mandy

Yesterday's a dream, I face the morning
Crying on a breeze, the pain is calling

Oh Mandy, well you came and you gave without taking
But I sent you away, oh Mandy
Well, you kissed me and stopped me from shaking
And I need you today

Oh Mandy, you came and you gave without taking
But I sent you away, oh Mandy
You kissed me and stopped me from shaking
And I need you
